"Until The End"

hate escaping
and there's a dark veil draping
to cover all the innocence
our nature leaves behind

but giving up and giving in
is not what i'm about

and i will fight
until the end of the world
You're all i have worth fighting for
and i would give
my life just to prove
You're all I have worth dying for

peace unending
and love transcending
has all but lost its glimmer
in the darkened eyes of man

but giving up and giving in
is not what i'm about

and i will fight
until the end of the world
You're all i have worth fighting for
and i would give
my life just to prove
You're all I have worth dying for

so i'm screaming
am im only dreaming
no, one day
i will see your face
and never look away

and i will fight
until the end of the world
You're all i have worth fighting for
and i would give
my life just to prove

You're all I have worth dying for
