feeling low again
insignificant
my thoughts and fears overcome my mind
i find that there's no easy way
to run from everything's that haunting me
i'm looking into the mirror for a smile
nothing is returned no matter how hard i try
i look in the mirror at all

will i say goodbye
and throw it all away
or give it all to You

but i don't want to die
these tears that i cry
my pain is a child of my vanity

now it's sinking in
and i can't defend
the broken man that i've become
i find there's nothing here that i
made for myself and why
i let it fall apart
again looking in the mirror for a smile
nothing is returned no matter how hard i try
could this be the last time
i look for You at all

will i say goodbye
and throw it all away
or give it all to You

but i don't want to die
these tears that i cry
my pain is a child of my vanity

but what i can't see
is what You see inside me
help me to see
what You see inside me

but i don't want to die
these tears that i cry
my pain is a child of my vanity
