Yeah.
I'm gonna shoot to the sky.
I'm Gonna live underground.
Sky Line, electrified.
It's always a fight.
I invite it in.

Aw man, what happened?
Going all the way down.
Going all the Way,
Down.
Going all the way Down.
Going all the way,
Down.

Collided, sanctified.
But oh man,
what a ride.
You said this one would be fun.
I can't feel anymore.
I've been up way too long.
I ain't gonna make it this time.

Going all the way Down.
Going all the Way,
Down.
Going all the way Down.
Yeah.
Going all the Way,
Down.

I can't believe my eyes.
You looked at me and lied.
I want you happy.
I can't believe my eyes.
Until out friendship dies.

When all I see is red,
You might as well be dead.
To as
Going all the Way Down.

Going all the Way Down.
I'm going all the way Down.
I'm going all the way down.

I'm going all the way down
Going all the way down
Going all the way down
Going all the way Down.
Going all the way Down.
Going all the way Down.
I'm going all the way down.
