I never cared to be a football star  
Kick a leather bag of wind around the park (in the rain)  
Wouldn't feel right drivin' a train  
But there's got to be something I can claim  
My fifteen minutes of fame, fifteen minutes of fame  
If I put my head down and work real hard  
Maybe I can learn how to play guitar  
Write me a hit on MTV  
Every woman in the world will wanna know about me  
And my fifteen minutes of fam eetc....  
I don't need forever in the public eye  
Just a little time in the sun  
Gimme a shot, watch me shine  
I'm the one, now tell me where do I sign?  
Some folkns make it big and throw it all away  
I got a plan - I wouldn't work another day  
Livin' in the lap of luxury  
Your nine-hundred second celebrity  
My fifteen minutes, fifteen minutes, gimme  
fifteen minutes of fame
