Another Lovestory

He's born and then he grows up  
When he's taught that all he needst o find in life  
Is just a girl that he can fuck, that he can cherish  
Talk to and make love to  
But this searching-finding-love is winding  
Here is the story of his live

One

Charming mary from canoga park  
She's already on the bus

Two

Supermodel, who needs more than that  
Who needs more than first-grade smalltalk

Three

Hear a muse sing her siren-song  
Sweet temptation Â- lose your aim

Four

Sure mister, this is real love  
But I'd like to have my 50 bucks

Another nightmare, another daydream,  
Another love  
Another nightmare, another daydream  
Another love story

She's vorn and then she grows up  
When she's taught that all she needs to find in life  
Is just a man whom she can sacrifice her life

One

I'm serious, it's really not your fault  
Yet I deed to go and can't explain

Two

Yeah, no problem, everyting's alright  
Just wait here while I buy some cigs

Three

Sure honey, you're the one I love  
But I need some variety

Four

Remember you said 'yes , I will that day'

Now don't complain that you wear my ball and chain

Another nightmare, another daydream

Another love

Another nightmare, another daydream

Another love story
