First I was scared of things that I don't understand
But with time I learned more and more to make my own
thing

Now that I've grown I freed my mind
Felt my own feet and I noticed that it's your words

Find myself, find yourself

First I was scared of things that I don't understand
But with time I learned more and more to make my own
thing

Now that I've grown I freed my mind
Felt my own feet and I noticed that it's your words

Find myself, find yourself

What is it that I cannot do
What is it that only you can do
What is it that I cannot do
What is it that only you can do

Feelin' uninspired by your words
I just can't say, it goddamn hurts
Is that because you live your own dream
But when I will come back, you will remember me

I know it must be hard to see me going my way
But I need to taste life different to divagate
From my former life
I want to get rid of it
Because I never want to miss the

Find myself, find yourself

What is it that I cannot do
What is it that only you can do
What is it that I cannot do
What is it that only you can do

Feelin' uninspired by your words
I just can't say, it goddamn hurts
Is that because you live your own dream

But when I will come back, you will remember me

The things you give
I cannot live
