It's not my fault, that I have to go. Just as long as I can keep one thing. I'm gonna keep my friends, and family, and I'll bring along all my stuff. That means, good bye memories! I have to leave something! Something that I might not remember! I know that I have to go-o! But only me and my stuff! Friends! And family! Good bye memories! You know I have to go! And I'll say the same! But I say, "Good bye! Good good memories! I have to leave something! So good bye, good, good, bye, precious, me-mo-ries!
