Long ago, for many years  
White men came in the name of GOD.  
They took their land, they took their lives  
A new age has just begun.

They lost their GODS, they lost their smile  
they cried for help for the last time.  
Liberty was turning into chains  
But all the white men said  
That's the cross of changes.

In the name of GOD - The fight for gold  
These were the changes.  
Tell me - is it right - In the name of GOD  
These kind of changes ?

They tried to fight for liberty  
Without a chance in hell, they gave up.  
White men won in the name of GOD  
With the cross as alibi.

There's no GOD who ever tried  
To change the world in this way.  
There'll be no chance to escape  
On judgement day.

In the name of GOD - The fight for gold  
These were the changes.  
Tell me - Is it right - In the name of GOD  
These kind of changes ?

Tell me why, tell me why, tell why  
The white men said:  
That's the cross of changes ?

Tell me why, tell me why, tell why,  
In the name of GOD  
These kind of changes.
