Dreams to reality now we hit reality see I don't wanna go but I'm addicted to the flows, the highs and the lows gets better as it goes but question left to know is the question next to go so why you always trippin' about the way that I be livin', the reason that I'm livin is the reason why I'm drivin out south like a new whip, thinkin on a new tip fall down gettin back up on my qtip, and when we collide with problem I don't ignore it see we sittin on the shores to ashore it, fountain of my mind overflow I gotta pour it cuz there's not another place in the body I could store it so I stock it with you, you always kept it true through the mile , building to tile.... product to the isle.... always keepin in style let's kicks it for a while. when the kids feelin down he got a reason to smile

Chorus (repeat 4 times)
