Keep Moving

Kj the artist, the bay is were I started, but ever since I left it aint the same as I departed, I just wanna spit but I feel my lanes parted and it keeps getting harder but I gotta.face the hardest, the starts so near but the finish even closer, aim to roast my compotiton no stove no toasta. Where I wanna be is posted up on the posters so a toast to the life high ice no coasters near to where I wanna be and I feel em wantin me the same one that wanabe is now the one that wannabe rappin reckless japan to texas flow aint infectious cuz they aint near to catchin em number one runnin aint slippin hotter then suns and he rippin success is mine and im grippin my time to shine and I'm lippin amazin now I know how mr west wheel this is just takeoff I wonder how the sky feels

Chorus (4)Â– I just gotta keep moving like

And I'm back round dose wit an overdose of rhymes and timin they try to dim it down but I be overshinin pace so far gone I be over grindin so that when I hit the ground Ill be forever timin I'm in line and my own lane see I'm just tryn to hit the sky like flame in the propane untamed in my own reign a roc in its own game so when I hit net its the same kid with the known name real to the bone tryn to find his way home I been gone for a minute but I'm near to the throne cuz its essence in my pressence and I feel in the veer out the seats on the feet cuz I feel I'm finally here

Chorus (4)Â– I just gotta keep moving like
