Time

So tris now waneted to be big an pop christal but one
down fall could be the fall of the wrist now vision
made of sun but the drama gave it mist now he's
placed
in a posistion left afflictin what he missed out young
and money to the right of austria got new kicks don't
care what it cost him bruh gotta keep fly just to re
main popular, in the game get more respect on chains
then spittin brains they see they try to change it up
but it still remains the same that's why he out here
grinding to rearrange the frames and graphics rap lines
rap around his head in traffic and it all keeps going
to the point he intact its the same tris that used to
trace pac and biggie his people lookin low so he said
fly with me started as a fable belived wasn't able but
it all changed up day he saw it on the cable.

Chorus (repeat 2 times)Â– Keep stepping one step at a
time, keep pushing two steps at a time, keep coasting
three steps at a time Â– look back at your past and
youÂ're grinding just fine.

They love to hate but, he loves to make its so he had
to let em no that anything he's capable overflow and
let it go its another show more to blow but now that
he's cakin friends blow him up about the reason they
ain't bakin half was mistaken when he took it for the
taken life was on full then they blew it to the basment
no foundation had chill dreams of vacations ovr seas
to
resorts by jamacians competition out the lead got it
all together coastin through the weather foot on the
gas never runnin out last cuz the way he livin life so
fab but he always gotta say that it aint half bad, life
in the fast got em slomotion bottom from the top its
all in the potion.

Chorus (repeat 2 times)Â– Keep stepping one step at a
time, keep pushing two steps at a time, keep coasting
three steps at a time Â– look back at your past and
youÂ're grinding just fine.

So he back wit another one shine like another sun got

one now he's on his grind for another talkin bout the truck but hes 2 doors off that's pushin 3 or 4 coupes off the lot and haters want him to stop but he keep on pushin. Want him to blow it all but they keep on bookin, search for the end they could keep on lookin cause its far as they could see like the coast off brooklyn grind to shine and shine to grind more he been shinin like the lights been on 4 decades get payed manange all the flow. If they got a problem wit it then just gotta let em go but he's coastin down the road in an 11 gt and all he had to do was be the kid from the b the one that ain't trippin ballin mr pippin top floor sky scraper still sipin on the lipton

Chorus (repeat 2 times)Â– Keep stepping one step at a time, keep pushing two steps at a time, keep coasting three steps at a time Â– look back at your past and youÂ're grinding just fine.
