You said you want it.  
You said you need it.  
What you don't know is I know,  
That you can't get it.  
You said you know me.  
You know nothing at all.  
You said you hate me,  
Well believe me I hate you too and,  
Stop stand down wait,  
I don't wanna go.  
Send me somewhere warm.  
Stop stand down wait,  
I don't wanna go.  
We want it all.  
(We want it all)  
We want it all.  
(We want it all)  
They try to stop you from dreaming.  
They're there to make your life hell.  
Just try to stop me from dreaming believing.  
Stop stand down wait,  
I don't wanna go.  
Send me somewhere warm.  
Stop stand down wait,  
I don't wanna go, no  
I don't wanna go.  
I don't wanna go.  
Are we really happy?  
Ask yourself-ask yourself this time.  
Are we really happy?  
Ask yourself cause if we're really happy,  
We'll ask ourselves.  
Are we really happy with who we are right now?  
Are we really happy with who we are right now?  
Are we really happy with who we are right now?  
Cause if we're really happy, we're really happy,  
And are we really happy with who we are right now?  
(You said you want it)  
No we're really happy with who we are right now.  
(You said you need it)  
No we're really happy with who we are right now.

Yes we're really happy with who we are right now.
