Did you wake up today,
Did you find the strength to say,
The world is your own?

Did you look up today
Did you find the words to say,
The world is your own?
The world is your own,
Your own way.

You've got to believe
You've got to believe
In your own way
(In your own way)
You've got to smile
You've got to be strong
You've got to believe
In your own way

Do you still feel sideways?
Well damn this awkward weight
Way I'm thinking,
When I stop thinking
Your own way

You've got to believe
You've got to believe
In your own way
(In your own way)
You've got to smile
You've got to be strong
You've got to believe
In your own way

...

WAAA0000HHH
WAAA0000HHH WAY

You've got to believe (WOAH)
You've got to believe (WOAH)

In your own way (WAY)
(In your own way)
You've got to smile (WOAH)
You've got to be strong (WOAH)
You've got to believe
In your own way

You've got to believe
In your own way

You've got to believe
In your own way
