August 1961 stole
The taste of freedom
The life I used to know

Sixteen long years
To wait and wonder
Did she make, safely make, is she still alive?
If she's still breathin'
Then I'm still waiting.
No hope in love.
Love, love

Scream at the thought
It's not okay
And you dream of the day she'll be here.
Oh, hey

I still remember
The last note you sent.
Eight simple words said
"No hope in love,
No hope in waiting"
No hope in hell
That I'll stop waiting
That I'll stop loving you

You still loved him
You'd wait for him.
No hope in love.
Love, love

Scream at the thought,
It's not okay
You dream of the day she'll be here.
Your last dying wish would be to see her one last time

Wall came down.
Wall down
Wall down

Scream at the thought.

No hope.
Scream at the last thing
Scream at the last thing that you said
There's no hope in love it's just inside your head.
