east side west side where do I stand when you walk in.
did you forget me, I wasn't gone that long,
you may think I was, you weren't thinking at all.
I won't let you just stand and walk away.
I'm sorry that I'm not sorry,
because it's the love of my life and the life that I love.
phase in fade out, where do I stand when you walk in.
did you forget me, I wasn't gone that long,
you may think I was, you weren't thinking at all.
I'm sorry that I'm not sorry,
because it's the love of my life and the life that I love.
why you out of everyone.
