I want to break my legs just so I won't forget to be nice
to you.

Think about jumping backwards into a pool of salt and
knives, now that's real pain

I am not me.

Not like your heartbreaks and tears.

I can't believe that was me.

I am not me.

I used to say, "I can't let me be who I am" I am not me.

I am alone with you.

I'll stay alone with you.

If nothing meant nothing, then why did it hurt you so
much?

Let's try this theory of nothing means nothing.

I want to break my legs just so I won't forget to be nice
to you.

There's so much left to say, the hardest thing to say is
that I'm sorry
