No, I won't go, I want to stay here with you  
No, I won't go, I want to stay here with you...  
Yah,  
Now say what you need, don't hesitate make that call.  
If you help, scream "HEY YOU", quietly one more time  
"hey you".  
Dreams they don't help, but they do stop the hurt for  
now.  
I guess we will have to figure this one out...  
Now say what you need, don't hesitate make that call.  
If you help, scream "HEY YOU", quietly one more time  
"hey you".  
It's the passing of America, the passing of America  
(x4)  
It's the passing of America, the passing of America (x3)  
So trust your anger, trust your anger (x3)  
I wanted to cry (x3)
