August 1961 stole  
The taste of freedom  
The life I used to know

Sixteen long years  
To wait and wonder  
Did she make, safely make, is she still alive?  
If she's still breathin'  
Then I'm still waiting.  
No hope in love.  
Love, love

Scream at the thought  
It's not okay  
And you dream of the day she'll be here.  
Oh, hey

I still remember  
The last note you sent.  
Eight simple words said  
"No hope in love,  
No hope in waiting"  
No hope in hell  
That I'll stop waiting  
That I'll stop loving you

You still loved him  
You'd wait for him.  
No hope in love.  
Love, love

Scream at the thought,  
It's not okay  
You dream of the day she'll be here.  
Your last dying wish would be to see her one last time

Wall came down.  
Wall down  
Wall down

Scream at the thought.  
No hope.

Scream at the last thing  
Scream at the last thing that you said  
There's no hope in love it's just inside your head.
