Who's to say the way I am  
Is not to blame on hating love.  
Let's be tragic, let's be sad.  
These eyes can't seem to see the way I am.

All for love, and all for love  
You wait way too long.  
And all for love.

Cry and sob while you wait for him.  
This kind of love won't last, it never did.  
What if this had never happened?  
What if we had never seen the light of day?  
What if this had never happened?  
What if we had never met at all?

All for love, and all for love  
You wait way too long.  
And all for love.  
You wait too long

All for love, and all for love  
You wait way too long.  
And all for love.

What if this had never happened?  
What if we had never seen the light of day?  
What if this had never happened?  
What if we had never met at all?

Oh, oh, oh, oh (5x)
