Hey how are you? I think I might explode. I found a box Which said open and choose

You'll find two notes One says you might succeed. The other reads You'll ruin everything.

You want them to like all the things you said. You're still talking backwards and off your head. You're running in circles for way too long. I hope your corporation dies. It dies

I'm sorry for thinkin' I'm sorry for what's been said. I watched them all While they burned it down.

You want them to like all the things you said. You're still talking backwards and off your head. You're running in circles for way too long. I hope your corporation dies. I...

I want them to like all the things you said. You're still talking backwards and off your head. You're running in circles for way too long. I hope your corporation dies. I hope it dies. I can't wait to be there to see you Burn
