"Waterfalls"

You're on your own living with fear, all alone.
Don't close your eyes, leave 'em all wide,
Wild eyed in love to me.
Cause I feel you're not in love today.
You don't love me, and can't let go.

Crying your eyes out, pulling you down.
There's more to those eyes than waterfalls.
I'm holding you back in your life.

Finding your words, show us all how you stand on your
own.
You don't love me, you don't care, you don't love me
anymore.

You're crying your eyes out, pulling you down.
There's more to those eyes than waterfalls.
I'm holding you back, don't let me fool you.
I'm holding you back in your life.
