Verse 1:

I try so hard to disguise this mess
but behind the mask I'm entirely defenseless
and as my weaknesses become exposed
so does the debt that I owed

Pre-chorus:

the more I try and try
the sooner I realize that

Chorus:

I am falling apart
I can't stand here on my own
I can't do this alone
I just keep falling apart

Verse 2:

I crumble every time my feet hit the ground
because the strength I lack just cannot be found
and as my weaknesses become exposed
so does the debt that I owed

Chorus
