Try to explain how i feel  
Can't describe what is real  
(Falling Down)  
Don't meet your expectations  
No invitations to stay  
But I guess it's better this way  
(And i know i can't go)

But you want to much  
And since  
Such perfection is wanted by you  
What can i do  
Don't know what to say  
Today is gone  
But I can't move on  
And forget about it

One wrong move and your on my back  
(Can't Slack)  
Tomorrow is another day  
And i know i can't go on

I tried so hard but lost  
Give it up i won't win  
Can't you see me tryin again

But you want to much  
And since  
Such perfection is wanted by you  
What can i do  
Don't know what to say  
Today is gone  
But I can't move on  
And forget about it

I tried so hard but lost  
Give it up i won't win  
Can't you see me tryin again

But you want to much  
And since  
Such perfection is wanted by you

What can i do  
Don't know what to say  
Today is gone  
But I can't move on  
And forget about it

But you want so much

But you want to much  
And since  
Such perfection is wanted by you  
What can i do  
Don't know what to say  
Today is gone  
But I can't move on  
And forget about it
