You think
You know
How I feel
But why
Are you
Freezing there
You couldn't
Have known
That I was alone
And now
You think
That you'll go on
But you won't
I know
I'm moving on

You thought that you knew me
But did I surprise you
When I told you
That we were finished
But still you think that
You can control me
I won't let it happen anymore
So give up
Go home
This is where you get out
Leave me alone

You think
You know
How I feel
But why
Are you
Freezing there
You couldn't
Have known
That I was alone
And now
You think
That you'll go on
But you won't
I know

I'm moving on

We fought
We knew
We thought
We'd go
On living
But time is not forgiving
And we weren't giving
Our time to each other
You thought that you knew me
But did I surprise you
When I told you
That we were finished
But still you think that
You can control me
I won't let it happen anymore
So give up
Go home
This is where you get out
Leave me alone

You think
You know
How I feel
But why
Are you
Freezing there
You couldn't
Have known
That I was alone
And now
You think
That you'll go on
But you won't
I know
I'm moving on

You thought that you knew me
But did I surprise you
When I told you
That we were finished
But still you think that
You can control me
I won't let it happen anymore
So give up
Go home
This is where you get out
Leave me alone

You think

You know
How I feel
But why
Are you
Freezing there
You couldn't
Have known
That I was alone
And now
You think
That you'll go on
But you won't
I know
I'm moving on
