As I walk in, you get up to leave
You head straight for the door
Is it because what happened between us
I liked it better before

My comment really wasn't that funny
But you were never polite
I recall your laughter as sweeter
I guess those things can change overnight

Forgive me, I take it back
Forgive me, I'd take it all back if I could

I call, you hang up
I call, you hang up
I call, you hang up
I call, you hang up
I call, you hang up
I call, you hang up

So many things came out bad
I didn't mean them at all
I regret not telling you sooner
On the other hand, you never called

Believe me, I'd take it back
Believe me, I'd take it all back if I could

I call, you hang up
I call, you hang up
I call, you hang up
I call, you hang up
I call, you hang up
I call, you hang up

Moments you wish never happened
Others you keep for the rain
Forget that they'll be forgotten
Running through you like a train

Believe me, I'd go back
Believe me, I'd go all the way back if you would

Call me, I'll hang up
Call me, I'll hang up
Call me, I'll hang up
Call me, I'll hang up
Call me, hang up
Call me, hang up
Call me, hang up
Call me, hang up
Call me, hang up
Call me, hang up
