and i cant make this right again (right again)
and ive been dying just to make amends (to make
amends)
spending all our time just trying to make this work
and i cant sit here waiting

anymore, im waiting for
anyone to show me what tomorrow has in store
here and now, show me how
i can make it to the top
with you holding me down

and i cant seem to let go of tonight (of tonight)
the walls are closing and we're wasting time (we're
wasting time)
searching, for answers that we'll never find
and i cant sit here waiting

anymore, im waiting for
anyone to show me what tomorrow has in store
here and now, show me how
i can make it to the top
with you holding me down

say goodnight for the last time baby
tomorrows on its way and so am i
say goodbye for the last time baby
tonight is almost gone and so am i
