lets talk this over
don't move too fast
cause we've got, all night
let's make this last

what he doesn't know, can't hurt
and right now, i'm making out
with someone elses

we'll turn down the lights
oh i think i need this
i swear that it's alright
we'll keep it a secret

what he doesn't know, can't hurt
and right now, i'm making out
with someone elses

shut your eyes
so you won't see the truth
cause i know, i know
i won't forget you

what he doesn't know, can't hurt
and right now, i'm making out
with someone elses
what he doesn't know, can't hurt
and right now, i'm making out
with someone elses girl

(woah oh oh, woah oh oh, woah oh oh oh oh)
