i don't care, what your friends say  
because they don't know me  
so let them talk, let the gossip get them off  
and see if i care

and i don't want to be the one  
to break you down  
but hey somebody has to

don't take this to heart  
i never wanted anything serious  
please forgive me i know its hard  
i don't make the rules  
but i wont play the fool  
all's fair in sex and high school

and i don't want to be  
anybody's anything because its just not me  
so tell me what you see in me  
because i just don't see it in you

and i don't want to be the one  
to break you down  
but hey somebody has to

don't take this to heart

i never wanted anything serious  
please forgive me i know its hard  
i don't make the rules  
but i wont play the fool  
all's fair in sex and high school

all's fair in sex and high school  
sex and high school  
all's fair in sex and high school  
sex and high school  
all's fair in sex and high school  
sex and high school  
all's fair in sex and high school  
sex and high school

don't take this to heart  
i never wanted anything serious  
please forgive me i know its hard  
i don't make the rules  
but i wont play the fool  
all's fair in sex and high school  
all's fair in sex and high school  
all's fair in sex and high school
