hey girl im writing to let you know  
that i just cant leave the thought of us alone  
and i wanna turn you on  
and i dont care if its wrong, if its wrong

cause ive been  
waiting all night just to get you alone  
i wanna take you home  
i want them all to know that youre, my girl

hey girl im dying to make you see  
that youre the only one, the only one for me  
and i wanna take your breath  
and i wanna feel your heart beating out of your chest

cause ive been  
wating all night just to get you alone  
i wanna take you home  
i want them all to know that youre, my girl

cause ive been  
waiting all night just to get you alone  
and i wanna take you home  
i want them all to know that youre, my girl  
ive been waiting all night just to get you alone  
and i wanna take you home  
i want them all to know that youre, my girl
