Verse 1:

Once upon a time
There was a guitar player
He met a girl
Fuck she was fat
He even thought her pussy
Was her fucking stomach
He felt it was wet
He got raped by Erika
He got raped by Erika GO!

Chorus:

Raped by Erika
Raped by Erika

Raped by Erika
Raped by Erika

Verse 2:

He told his girl
That he was raped
By hundredfifty kilograms
She has the weight of four fucking cows
Instead of two nipples she has twelve
He got raped by Erika
He got raped by Erika GO!

Chorus:

Raped by Erika
Raped by Erika

Raped by Erika
Raped by Erika
