Verse 1:

Your hopeless attempts for revenge
Don't mean a thing to me
With your hatefull impulsive thoughts
Why don't you just leave me be

Chorus:

With the edge of a knife
With the edge of a knife
With the edge of a knife
Flames burn, knives cut
I stab, you bleed

With the edge of a knife
With the edge of a knife
With the edge of a knife
Spilling your blood
Is my wettest dream

Verse 2:

These scars I hide under my sleeve
Represent the sorrow of my tears
But the end of my mutilation
Is the end of your selfish games

Chorus:

With the edge of a knife
With the edge of a knife
With the edge of a knife
Flames burn, knives cut
I stab, you bleed

With the edge of a knife
With the edge of a knife
With the edge of a knife
Spilling your blood
Is my wettest dream

Verse 3:

You destroyed my hopes
You destroyed my dreams
But now all the odds are against the little

Wortless slut you are
Because all this hate, suffering and pain
Will be rightfully yours

Chorus:

With the edge of a knife
With the edge of a knife
With the edge of a knife
Flames burn, knives cut
I stab, you bleed

[Pig squals]
You die
