I'm faceless!
The masks I wear wear me till I am worn off.
I'm ageless!
My longest hours lull me till I'm dead.
I'm empty!
The noisy silence comes with no permission.
I'm ugly!
My beauty's gone to save the world from me.

I am everywhere!
Loosing myself cuz I'm nowhere!!!
I am everything!
Hating myself cuz I'm nothing!!!
I can't disappear!
Listen to me, I'm deep in your ear!!!
I can't reappear!
I am gone, yet I am here!!!

Shit! I'm here with you all.
98.96!
I just do what I must do.
98.96!
I creep around and crawl within.
98.96!
I've quite forgotten who I have been.
98.96!

I'm nameless!
Cuz when you give me names I feel divided.
I'm breathless!
I can inhale you, but I can't exhale.
I'm sexless!
All my desires never fit my body.
I'm senseless!
I've switched places with my shadows then switched off...

I am everywhere!
Loosing myself cuz I'm nowhere!!!
I am everything!
Hating myself cuz I'm nothing!!!
I can't disappear!

Listen to me, I'm deep in your ear!!!
I can't reappear!
And if I die I'll still be here!!!

I keep on losing my CMYK
And yet I can't leave the firing range.
The outline loses its curves,
Nodes remain, but they never join again.
They're dragged and pushed apart
Stopping and dropping and rolling about.
They fall like raindrops and hit the dust
First come those who I loved the most.

I'm no longer stable!
I'm unable! I'm unable!
Now I'm just a number!
When I'll be over then I'll be sober!

Typical shapes, typical forms,
Typical bodies, typical worms,
Common places and common styles,
Common embraces and common lies.
Insidious versions of insidious plays,
Insidious fuckers on insidious ways,
Banal hearts and banal eyes,
Banal deaths for banal lives.

I am everywhere!
Losing myself cuz I'm nowhere!!!
I am everything!
Hating myself cuz I'm nothing!!!
I can't disappear!
Listen to me, I'm deep in your ear!!!
I can't reappear!
I am dead, yet I am here!!!

I am everywhere!
Losing myself cuz I'm nowhere!!!
I am everything!
Hating myself cuz I'm nothing!!!
I can't disappear!
Listen to me, I'm deep in your ear!!!
I can't reappear!
I am dead, yet I am here!!!

Shit! I'm here with you all.
I'm 98.96!
I just do what I must do.
I'm 98.96!
I creep around and crawl within.
I'm 98.96!

I've quite forgotten who I have been.
I'm 98.96!
