Hushaby, baby...
Close your blue eyes...
Hushaby, baby...
You're unaware
Of what you shall bear.

Hushaby, baby...
Time will come—I'll be gone...
Hushaby baby...
Time will come—you'll be gone...

Hushaby, baby...
Close your grey eyes...
Hushaby, baby...
Life's an affair,
Sleep while you have care.

Hushaby, baby...
Time will come—we'll be gone...
Hushaby baby...
We'll be gone—then we'll come.

Hushaby, baby...
Close your brown eyes...
Hushaby, baby...
You've got your life
Dream while there's no strive.

Hushaby, baby...
Happy till then...
Hushaby, baby...
Dream while you can:
Nobody knows when

Time will come—I'll be gone...
Time will come—you'll be gone...
Time will come—we'll be gone...
No-one knows when we'll come...
