Your lack of hope
Is my heart annihilation,
A lack of pain
Is not the thing I feel.
You try to be,
But stay the one you were before me
And finally
I can hardly take it all.

I can't escape it,
Can't run away...
I'm so happy that I can love, but sometimes
It's a pity I do...
I've grown unguarded,
I've grown so weak
There is no-one to save me from
The ache that eats me
No-one ever could, save you, my love.

No lack of dope:
The endorphin is overwhelming us.
But my tears get thicker
And thicker when the chill takes me over...
I try to go away, but stay...

I try to be,
But something rips your heart to pieces. (I feel the
Same}
And finally
You can hardly take it all.

I can't escape it,
Can't run away...
I'm so happy that I can love, but sometimes
It's a pity I do...
I've grown unguarded,
I've grown so weak
There is no-one to save me from
The ache that eats me
No-one ever could, save you, my love.

Loosing control,

Loosing numbness,
Off guard, feeling.
Love is a pain-bringer.

Getting weaker,
Getting stronger,
Giving, living...
Love is a painkiller.

I can't escape it,
Can't run away...
I'm so happy that I can love, but sometimes
It's a pity I do...
I've grown unguarded,
I've grown so weak
There is no-one to save me from
The ache that eats me
No-one ever could, save you, my love.
Getting weaker...
Getting stronger...
(No-one ever could, save you, my love.)
Getting nearer...
Getting stronger...
(No-one ever could, save you, my love.)
My love...
