I wanted to
find someone in this world
worth my sincerity.
i wanted to
love someone in this world
and i gave him all of me.

Just won't you fuck away from me!
i never ever thought i'd come to this...
Just won't you fuck away from me!
i don't believe in love anymore!

I wanted to
give all my purity,
all my warmth and faith to him.
i wanted to,
but all was a mistake,
'cuz he used me like a whore.

Just won't you fuck away from me!
i never ever thought i'd come to this...
Just won't you fuck away from me!
i don't believe in love anymore!

you've made me
suffer from jealousy!
you've made me
struggle through calamity!
you've fucked my
innocence and purity!
you've broken
my heart and killed my love in me!

i'll never trust you...

Just won't you fuck away from me!
i never ever thought i'd come to this...
Just won't you fuck away from me!
i don't believe in love anymore!

Just won't you fuck away from me!
just won't you fuck off!

just won't you fuck off!
Just won't you fuck away from me!
just won't you fuck off!
just won't you fuck off!
