I can show you the world  
Shining, shimmering, splendid  
Tell me, princess, now when did  
You last let your heart decide?

I can open your eyes  
Take you wonder by wonder  
Over, sideways and under  
On a magic carpet ride

A whole new world  
A new fantastic point of view  
No one to tell us no or where to go  
Or say we're only dreaming

A whole new world  
A dazzling place I never knew  
But when I'm way up here  
It's crystal clear

That now I'm in a whole  
New world with you  
Now I'm in a whole  
New world with you

Unbelievable sights  
Indescribable feeling  
Soaring, tumbling, freewheeling  
Through an endless diamond sky

A whole new world  
Don't you dare close your eyes  
A hundred thousand things to see  
Hold your breath, it gets better

I'm like a shooting star  
I've come so far  
I can't go back  
To where I used to be

A whole new world  
Every turn a surprise

With new horizons to pursue  
Every moment red-letter

I'll chase them anywhere  
There's time to spare  
Let me share this whole  
New world with you

A whole new world  
That's where we'll be  
A thrilling chase  
A wondrous place  
For you and me
