A blunted day, I'm sitting for a few hours now
On my sofa, thinking of nothing at all
I'm so tired, Sick to death of the whole world
I'd really like to indulge to my heartache
But I do realize that I ain't even feelin' pain
So I give it up without any remorse yeah
And still I'm staring out of the window

And I'm dreaming of the day when I'll be dead
Desperate longing for a stainless innocence
Yeah I'm dreaming of the day when I'll be dead
Trying to regain my innocence

A boring night and the party doesn't cheer me up
The only way is to stupify myself tonight
So I go and get myself a drink or two
And watch the people, just asking myself if theyHave
as much fun like they look like or if they
Are just pretending exactly as I do
And all my friends that I had so much fun with
They loo threatening and strange to me now

And I'm dreaming of the day when I'll be dead
Desperate longing for a stainless innocence
Yeah I'm dreaming of the day when I'll be dead
Trying to regain my innocence
