SHIT ISLAND

I return to the place
the one and only just for a last time, just for a last time
So I finally calm down
Everything has changed
But once again I feel home this is the place I belong
Like it was years before
Mud all around I'm filthy but I feel clean, I'm filthy but
I feel
Clean like never before Pure like never before Clean like
never before
Pure like never before
Ref.: I must get out of here
I must get out of here Lamentable trapped Isolated on
Shit Island I'm just a castaway
I crawl right up on my knees
Lamentable trapped
Isolated on Shit Island

I'm reduced to the core Sinking down in the dirt
Getting rid of my obsolete identity now
It's the place that I love
although I know that I am threatened by the extinction
of the ruins of my mind
I swear it was my last fre-
quentation while losing con-
sciousness and I close my eyes I'm filthy but I feel

Clean like never before Pure like never before Clean like
never before
Pure like never before

Ref.: I must get out of here
I must get out of here
Lamentable trapped Isolated on Shit Island
I'm just a castaway
I crawl right up on my knees
Lamentable trapped
Isolated on Shit Island
Flashback, years ago, the first time that I've been to
here

Perfect world but filthy me , Iâ€™m crawling right up on
my knees
Linoleum is swallowing me disgusted people staring,
staring
I wonâ€™t get away just for a last time I must get out of
here
I must get out of here
Lamentable trapped Isolated on Shit Island
Iâ€™m just a castaway
I crawl right up on my knees
Lamentable trapped
Isolated on Shit Island
