I'm just a fly on a window pane
Tryin' to get inside
I'm just a spider making my web
Underneath your house

Maybe I'm deaaaa-a-ad
Maybe I'm deaaaa-a-ad

I'm just a rabbit going on the run
And I know I'm gonna get caught
I'm just a snake sliding in the sun
And I'm living in your flower pot

Maybe I'm deaaaa-a-ad
Maybe I'm deaaaa-a-ad

I'm just a fly on a window pane
And I'm tryin' to get inside

Maybe I'm deaaaa-a-ad
Maybe I'm deaaaa-a-ad
