Used to love my baby  
Then my baby left me  
Started stayin' out late  
I'm not gonna share

No, my baby don't like that  
And finally make me realize  
And now I finally realize that

Sometimes you gotta make it alone  
Sometimes you gotta make it alone  
Sometimes you gotta make it alone

Know I love my momma  
And my mama told me  
Not gonna be around here  
To kick it up my sound

That's what my mama told me  
And I finally real, realize  
And I finally real, real, real, realize

Sometimes you gotta make it alone  
Sometimes you gotta make it alone  
Sometimes you gotta make it alone
