Visit "[216 Stitches](#)" on [MotoLyrics.com](https://MotoLyrics.com)

I don't want to tell you  
what you should do.  
you kind of have to know for yourself  
for it to be true.  
and you cant even tell me  
what you're gonna do  
when you know damn well for yourself  
that you think we're through

and it takes  
216 stitches  
to mend my broken heart  
to mend my broken heart.

gotta keep together my heart & my life  
gotta keep it together w/o my wife  
gotta hold together my frame of mind  
gotta hold together in place and time.  
gotta find another reason to live  
gotta find another season to give  
gotta find another team, again oh again...

and it takes  
216 stitches  
tomend my broken heart  
tomend my broken heart...
