you said you'd love me 'til the cows come home,  
love me with all your might.  
but then I caught you with another girl, I guess the  
cows came home last night.  
what in the hell is a girl to do?  
baby it aint right.  
the cows come home about once a week, and they  
keep you out at night...

what's a girl to do?  
with a man like you?  
I love you through and through  
but it's an uphill fight.

I'm a good boy,  
except when I'm not.  
and I'd never lie to you,  
except when I do.  
and I'm not a cheater,  
except when I am.  
and I promise to love you as  
just as best I can.

what's a boy to do?  
with a girl like you?  
I love you through and through  
but it's an uphill fight.  
it's an uphill fight.  
it's an uphill fight.  
the cows came home last night.
