Whoa
I saw you strut
Into the room
My heart started pumpin'
When you broke out them moves

Your heels dug in
Straight through the floor
You're a machine, baby
Seek and destroy

She must be crazy
She's got that feeling
Look out now she's a
psycho killer

She must be crazy
She's got that feeling
You know she's
a psycho killer

The dance floor is
shredded to pieces
The way you rip it
up has got my heart
rate increasin'
The dance floor is obliterated
The way you tear it
up has got my soul
liberated

Rip it up
Rip it up
Don't stop until it's torn up
Tear it up
Tear it up
It's just the fate of
the dance floor

She cuts a rug
Just like a razor
Then burns it down

Like an incinerator

She's a slayer
And it don't phase her
She's from the future
She's a terminator

Just like a chainsaw
Her teeth cut in
Watch out now here
she goes again

[Dance rap]
