The hate, the power, to destroy all the weak
(And false)
Reaching the veil of death
My ultimate quest, conquering the
Visions of sorrow
The weight of my despair...
Maim the souls
Of the ones with no strength
Cry, feel my utter rage
Pain, the strongest of pains
Lust, for vengeance, for revenge
At last my time is here

Taking all the
(Mediocre) Souls by storm
Sadness and fear
Cover your pathetic will
My mind is so strong
Your loss my victory
Lying in your putrid misery
Tears cover
Your last memory...
Cry, feel my utter rage
Pain, the strongest of pains
Lust for vengeance, for revenge
At last, time is here
