Verse 1

I've given you chances
I've given you a home
I've given you food and drink
Now I'm alone
I've given you love
I've given you tears
I've given you everything I can
That's why I'm here

Bridge

But you still, ya haven't explained
Why you did all that, all that stuff to me
I'm still here, still confused
Now I know what it feels like to be used
So

Chorus

You've got 2 minutes, 2 minutes to explain
2 minutes to tell me why you gave me pain
You've got 2 minutes, to tell me how
You managed to hurt me like that, your 2 minutes start
now
