I was born on the 4th of July, hell yeah  
I was born in a shirt and a tie, hell yeah  
I was born, it'll be hard not to try, hell yeah  
I was born on the 4th of July, hell yeah

Are you gonna say it now? Oh no  
Are you gonna say it now? I don't think so  
No, I don't think so

Yes, you're behind all that mayhem  
Just want the taste of your skin  
Yes, you're behind all that mayhem  
Stop, before she begins

I saw you take a shot, I can't believe, hell yeah  
The subject remodels himself to a different degree,  
hell yeah  
Nail me, yell at me, looks a lot like me, hell yeah  
The camera falls apart and we finally see, hell yeah

Are you gonna say it now? Oh no  
Are you gonna say it now? I don't think so  
No, I don't think so

Yes, you're behind all that mayhem  
Just want the taste of your skin  
Yes, you're behind all that mayhem  
Stop, before she begins

Yes, you're behind all that mayhem  
Just want the taste of your skin  
Yes, you're behind all that mayhem  
Stop, before she begins

Are you gonna say it now? Oh no  
Are you gonna say it now? Oh no  
Are you gonna say it now? Oh no  
Are you gonna say it now? Oh no

Tell me are you gonna say it now? Oh no  
Are you gonna say it now? Oh no  
Are you gonna say it now? Oh no

Are you gonna say it now? I don't think so

Yes, you're behind all that mayhem  
Just want the taste of your skin  
Yes, you're behind all that mayhem  
Stop, before she begins

Yes, you're behind all that mayhem  
Just want the taste of your skin  
Yes, you're behind all that mayhem  
Stop, before she begins
