Baby, it's a tag team
Your lips and I'm on nicotine
You're making me have such bad dreams
Of what I was

Yeah, and baby, it's a tag team
Your lips and I'm on nicotine
You're making me have such bad dreams
Of what I was

And she only wants me for my money
(Money, money)
She only wants me for my money
(Money, money)

She's outta touch
If she only knew
That I'm not worth that much
Oh, she only wants me for

Baby, just stay the same
I got six more years till I go insane
Playing this game, ain't it a game?
It think I won

And baby, baby, just stay the same
I got six more years till I go insane
Playing this game, ain't it a game?
It think I won, oh yeah

And she only wants me for my money
(Money, money)
She only wants me for my money
(Money, money)

She's outta touch
If she only knew
That I'm not worth that much
Oh, she only wants me for my money
For my money

She should ask, well, I can't relax

She, oh, and only what she wants is me

And she only wants me for my money

(Money, money)

She only wants me for my money

(Money, money)

She's outta touch

Like she never knew

That I'm not worth that much

Oh, she only wants me for

My money

(For my money)

My money

(For my money)

Mon, mon, mon, money
