Everybody knows my name
Wakil

If you knew me you'd know I'm
Nowhere near regular
Minus foldin chair grindin'
I ain't spectacular
To the rap game count on me
(Heh) count Dracula
But it'll never be the same
When I flip it no spatula

First name killa last name air
Yeah, real Nigerian hair
You represent safe I'm really in here
I'm so cool it's chilly in here
Bright like new aunt Vivian is
Or was but tell me who cares (yeah)

Everybody
Knows somebody
That knows somebody
That knows about me
When I go to the mall
You already know
We three thousand and show
That's what happens when (yeah)
Everybody knows your name
Wakil

(Look) you know what I'm 'bout
Soon as I catch wave let it ride out
But if I'm on board no wipe out
Kickin' ass out better call a time out
Forever I last my kind never die out
I stand up good what I gotta lie about
I ain't a lowlife
I take the high route
They try to put me in a box so I climbed out

(Out) no dice look at your life

Where everybody knows your name (nice)
I'm just tryin' to make me a few million
Put a ring on a hottie a few children
Big business, a few buildings
Find somebody to hire then I'm chillin' (haha)

Everybody
Knows somebody
That knows somebody
That knows about me
When I go to the mall
You already know
We three thousand and show
That's what happens when
Everybody knows your name
Wakil

Do you respect it's only right the people know my name
Anybody mad at that I don't give 'em the time of day
Time of day, time of day
I don't give 'em the time of day

Like eeny meeny miny mo
I kick nursery rhymes today
Do magic Harry Potter way
Honestly I'm insane I hold a note but I don't sing
Please turn on that auto thing
I'm comin' from all kind of ways
The game will never be the same (haha)

Everybody
Knows somebody
That knows somebody
That knows about me
When I go to the mall
You already know
We three thousand and show
That's what happens when
Everybody knows your name

Everybody
Knows somebody
That knows somebody
That knows about me
When I go to the mall
You already know
We three thousand and show
That's what happens when
Everybody knows your name

Everybody knows your name

Everybody knows your name
