[Bridge]

I got to be the flyest
I got to keep on shinin'
Whether I'm young and flashy bathin' apes
Grown and sexy tailor-made
Clean cut fade away
Wipe me down with a taper fade
All black benzo tented black windows
Livin' the good life
Good life

[Verse 3]

I'm Mr. center of attention
Hot yet cool like the middle of December
And why wouldn't I want to feel
Like I'm fresh as a prince and they uncle Phil
Your highness, therefore I got to be the
Flyest, skin chocolate like Verizon
So ladies love me like g-godiva
Hey

[Hook]

Look at my shades my ride my fit (hey)
Look at my stacks my chick so thick
I'm fresh to def just to impress (impress)
Like yes (like yes)
I'm so cool
I'm so cool
I'm so cool

[Adlibs]
I got a new kind of swag
B.K. on the track
And all the haters get back
Mad cause of what they lack

I'm fresh to def
Hey
I'm so cool
