Pleased to meet you
Introducing something new
Something that you thought you'd
Never ever see before

Now it's time to wake up
You put on all your make-up
Wake up for the show

Take her hand
Let's get on the floor
Lights go out
If you don't move you'll never know

Are you coming?
Yeah, your coming

Pleased to meet you
Introducing something new
Something that you thought you'd
Never ever see before

Now it's time to wake up
You put on all your make-up
Wake up for the show

Take her hand
Let's get on the floor
Lights go out
If you don't move you'll never know
Take her hand
Let's get on the floor
Lights go out
If you don't move you'll never know

We know
You'll know

Take her hand
Let's get on the floor
Lights go out
If you don't move you'll never know

Take her hand
Let's get on the floor
Lights go out
If you don't move you'll never know
